

Hello All

We were very sorry to lose one of our members last month. Audrey O'Kane Marshall was a member some years ago and had only recently returned to the Bridge Club before her untimely death. Some members attended her funeral and extended condolences to her family on behalf of the Bridge Club.

If anyone has a Fridge/Freezer, a Fridge or Upright Freezer they are willing to give or sell to the club, please let me know.

From Monday 22<sup>nd</sup> August we will be running Monday nights in two divisions. One division will be for the set events in the Programme which will proceed as normal. The second division will be for the beginner players plus those experienced players who have gaps in their programme and have indicated willingness to play in this second division for the evening. Anyone else who is just learning of this change and is willing to help give our newcomers assistance will be most welcome to take part. We will be playing 16 boards and scoring using the travelling score sheets. Results will not qualify for C points. Although not essential, I would appreciate anyone who is intending to come and help in the second division to let me know prior to play on a Monday night.

Remember, we have a two day tournament on September 10 and 11, Teams are on the Saturday and Pairs on the Sunday. The entry forms have been put on the board so if you are intending to play please put your names up there soon. As usual, nearer the time there will also be a card on the central tables asking for contributions towards morning tea, helping in the kitchen and raffles.

Cheers

Lyn
