A very short newsletter from me this month but see the Bridge and Tournament News from Jane Windle attached.

Mid South Island Teams - First Call of Expressions of Interest

This is being held on 6 July at Oamaru and we are calling for expressions of interest to play in the event - we need a team in the Open, Intermediate and Junior categories.

If you are interested in being considered please put your name up on the list on the tournaments board.

1C and 1NT Opening

Don't forget that you must announce what your partner's 1C and 1NT opening bids mean. For example when your partner opens with 1C you say:

that is four or more cards in Clubs; or

1C could be 2+ cards in Clubs because we play 5 card majors (meaning that you need 5H or 5S in your hand before you can open 1H or 1S and your default bid is 1C)
