

JANUARY 2022 NEWSLETTER

Welcome back to bridge

Move to Red - Covid 19 - Face Masks from 4 February

As advised we will be continuing with bridge as per the Programme. In line with the recently announced changes by the government **we will require the wearing of face masks from 4 February 2022**. You will be able to take these off for supper but they will need to be worn during play.

Learners Lessons

These start 14 Feb at 7pm for approximately 10 weeks, with repeat lessons each week on Friday mornings at 10.30am. Cost is \$35 with Theo (027 298 5407) or Liz Drew (021 023 62234) as the contact points.

New Heat Pumps

You will have seen that we have installed new floor heat pumps in the main room and this will mean that we will no longer need to use the (very old) booster heater. Which in turn will save us more money as we can switch from 3 phase power to one phase.

Directors Books

Anyone who has a directors book and does not need it, can you return your copy please as we are short of them at this end.

Housekeeping

Please remember to tidy up your table before you go home. Empty the wastepaper bin and make sure all glasses, coasters etc are away.
