

JULY 2024 NEWSLETTER

A short newsletter this time to match the length of the days, perhaps.

Mid South Island Interclub Teams - Results

This was played last Sunday and while our Open team came third, Intermediates first and Juniors fourth (and together had the highest VPs) under the scoring system used by Ashburton had an overall result that missed out on first place by one point, and tied for second with Waimate. Well done to all of you.

Waimate Tournament - 21 July

This is a half day tournament and always good fun. Put your name on the list if you want to go.

Housekeeping

- Lost Keys: I have lost a bunch of 3 keys - has anyone found them?
- Lost Programmes: Carl Pedersen and Louise Whitelock have lost their programmes. If you are down to play with them suggest you give them a call to confirm.

Extra Individual Round

Monday 25 November and Tuesday 26 November will be an additional individual round.

However the overall results will still be the best 6 scores to count.
