60th Jubilee Celebrations

Our celebrations were a great success. Thank you for all your positive feedback.

Special thanks to Junelle Edmonds, Louise Whitelock, Lyn Dunlop and her team for their hard work with catering and decorations for the Friday bridge session; and to Jonell Johnson for flower arranging and to the many others who contributed behind the scenes (and in front of them).

And, of course, thanks to all of you who came and enjoyed the events.

Some Housekeeping

East and Tablets

We continue to get wrong results entered into Scorer because East has confirmed a wrong outcome. East you must check the contract entered, who played it and that the correct number of tricks lost or won is entered before pushing the Yes button. If you accept the wrong result it will not be corrected.

Name Badges

If you want a name badge put your name up on the list on the noticeboard.
