Mid South Island Interclub Teams

The club will be represented by:

Open: Francis Sheehy, Peter Mountain, Dennis Norman and Brian Papps

Intermediate: Kerry Kelly, Blair Corlet, Theo Jordens and Darrell Sidon

Junior: Lei Xia, Clare Newlands, Wayne and Sally Grant

Extra Individual Round

We have discovered a "spare" Monday and Tuesday just before the AGM in November. Rather than not having any play we have decided to add a further round to the Individual competitions.

So, Monday 25 November and Tuesday 26 November will be an additional Individual round.

However the overall results will still be the best 6 scores to count.

Housekeeping

A reminder that it is North's responsibility to place the board the correct way on the table and to ensure that the correct board number is being played. South is responsible for entering the contract and result for the correct board number in the tablet and East shares the responsibility to ensure that the correct information is entered for the correct board. Bottom line please check.
