

MARCH 2021 NEWSLETTER

Some reminders and some more substantive items this time around:

Newsletter for those who do not have emails

For those who volunteered, please remember to pass on a copy of the newsletter to those who do not have email

Prompt Start to Play

To make sure we finish on time you should be seated by 7pm ready to play

1 Club and 1NT Opening Bids

You have to state what these opening bids mean for you so as not to mislead other players. For example some players open 1C with less than 4 clubs in their hand or 1NT with 16-18 points.

Oamaru Tournament

This was a great success and many thanks go to all those who pitched in at the last moment including all those who gave raffle prizes (and the new raffle ticket system is a great improvement). Special thanks to Roz Armstrong who came in at very short notice to do the catering. We have had good feedback from out of town players.

Upcoming Events

The Social Committee has been busy and is proposing:

- 16 April: Dinner and Quiz Night
- 19 May: Trip to Timaru for lunch, shopping and bridge at the Timaru Club
- 25 June: midwinter Christmas dinner

More details closer to the time.

Daytime Wednesday Winter Bridge - Starting 5 May

We will retrial an additional afternoon of social bridge starting on 5 May. We will start with a 1-4pm play straight through session (followed by afternoon tea for those who want to stay on). This will be social only with no C points.
