

MARCH 2025 NEWSLETTER

Oamaru March Tournament

A big thanks to all those who contributed to making this a success (from the organisers, the caterers, raffle prize givers to the players themselves). We made a profit of approximately \$577.

Step Ladder

Andy Anderson has kindly donated a step ladder to the Club. It is located in the Committee room and please use it if you need to climb up for some reason.

Learners Lessons

We have 22 new learners at the lessons and hope we will see them come through to play later in the year.

Improvers Lesson by Shirley Newton

Feedback is that this was appreciated by attendees.

Heart Foundation - Blood Pressure Checks - Heads up

We will be offering free blood pressure checks through the Heart Foundation from 4.30pm on 23 May.

Mark your calendar and spouses/partners also welcome to come. A list will be put up from 1 April to sign up and I will remind you again in the next newsletter.
