Int/ Jnr tournament league

For all tournaments, players must be graded as per NZ Bridge grading. Memo to be sent to all clubs stating this, along with E42 in the bridge manual.

Template for entries should include rating points and grading - tournament secretary should check this.

Reply to be written to Christine Samson.

Congress venue for 2015

Invercargill has expressed an interest in hosting Congress. Decided to keep in Dunedin for at least a couple of years and maybe canvas participants on preferred venue. We could look at hosting another major tournament in Invercargill.

IPs Changes

Matter was discussed at Regional conference and it seems unlikely that there will be any change because of space and cost issues. Format may be looked at.

O/S Provincial teams and pairs 26/27 Oct

Kaye to organise with a match committee. Posters same as for last year.

Rubber Bridge 2014

Numbers need to be increased- possibilities include holding a tournament at each club with education session on strategy / scoring before. Agenda item for next meeting.

Regional Conference update

- NZ bridge are finding cost saving measures- increasing levies and masterpoints (user pays)
- other regions encouraged to run Swiss pairs tournaments as we do.
- decided that learners should not pay levies until they become members of a club.
- discussion about moving regional conference around – NZ Bridge would like to keep in cheapest place. Committee supported some sort of travel equalisation – letter to be written to NZ Bridge.
- discussion about increasing and retaining membership
- cut coaching grant – no one applies
- marketing presentation by Shirley Newton and Alan Turner who listed a number of strategies including branding and having a major sponsor.
