

Table Talk December 2022

News from the Wanaka Bridge Club

Marc's Missive

After the AGM and the new Committee's first meeting we have some clarity regarding the future of Wednesday nights.

As advertised, there will be a shorter session running alongside the regular Bronze one. We have done all we can to tailor this to the needs of the newer members, but will only run it if there are at least three tables.

On the subject of the AGM, many thanks are due to Jan Baird for her organisational skills, also to Carol Orbell and the members who helped set up the room. Also to Sandy Bryan and Peter Hart for some splendid food. It bears repeating that we are as always dependent on the generosity of our volunteers in all aspects of bridge club life.

The Hall is being used extensively by a Presbyterian group during the last week of January, so we are making a few alterations to the regular programme (see the website/booklet for details). In the meantime, I hope that everyone has a very enjoyable Christmas and a happy and healthy New Year. Hope to see you in January.

Programme: Jan 2023

Bridge will restart on Monday 9th January and Wednesday 11th January. Tuesday and Friday Bridge will restart at the beginning of February.

Programme: 2023

The bridge booklet is being finalised and will be with the printer on Wednesday

morning. The programme has been uploaded to the website. We will have a collection point for three days once the booklet is printed, and those not collected will be posted.
